

About PressReader

What is PressReader?

PressReader offers unlimited access to newspapers and magazines in an easy-to-use app available on every smartphone and tablet. We have more than 7,000 titles from more than 120 countries, in more than 60 languages.

Access to PressReader?

Your guests get access to PressReader whenever they stay at your hotel simply by connecting to your WiFi network. They can download full versions of newspapers and magazines to their own device, or save them to read offline after their stay.

How long does the access period last?

Any guest or traveller visiting your hotels will have complete access to the entire PressReader catalogue for as long as they're connected to the WiFi network.

Guests will also have 3-hours of extended access after they leave

Getting connected

How do I connect to PressReader?

Download the PressReader app and connect to the hotel's WiFi network. You'll automatically get complete, unrestricted access.

Can I use PressReader on any device?

You can get the PressReader app on any mobile device using any major operating system, including iOS, Android, Windows, Amazon, Blackberry, and Mac. PressReader's web platform is always available on laptops and other computers connected to the hotel's WiFi.

Which app stores carry PressReader?

You'll find PressReader in the Apple App Store, Google Play, Windows Store, Amazon, and Blackberry World.

I've opened the PressReader app, but the content appears to be locked. How do I unlock the issues I want to read?

When you first open the PressReader app, you should see a welcome message from the hotel you're staying at. If not, you may not have connected successfully.

- If you're trying to connect through the WiFi network and you see padlock icons on a publication, check the coffee cup icon at the bottom right corner of your screen. It should be green. If it isn't, you might need to reconnect to the lounge WiFi. Visit the concierge desk if that doesn't resolve the issue.

Downloading newspapers and magazines

How do I download newspapers and magazines to read offline?

Once you've activated your free access period and you see a welcome screen from the hotel you're staying at, you're ready to start downloading.

Close the welcome screen, then tap on Publications to view the PressReader catalogue. Here, you can search for your favourite titles sort the list by category or language. Tap the download symbol to save a publication

If you want to see all of the publications you've downloaded, just tap Downloaded at the bottom of your screen.

How many issues can I download?

As many as you'd like.

How long can I keep the issues I download?

You can keep any issue on your device for as long as you'd like.

Can I download complete publications?

Yes. Full issues of your favourite magazines and newspapers are available on PressReader. You can read them in the original printed layout or in a text-view mode designed for easy reading on a mobile device.

Which titles are available on PressReader?

Thousands of titles from all over the world are on PressReader. Use the app to browse the catalogue.

I'm looking for a specific newspaper or magazine, but I can't find it on PressReader. Can I request it?

Yes. If there's something you'd like to see on PressReader that's not there, send an email to the support team at care@pressreader.com. We're adding new titles every day and they're always eager to connect with readers like you. So, get in touch with your favourite newspaper or magazine as well and let them know you'd like to see them on PressReader.

Why is the PressReader app asking me to pay for a title I want to download?

If you are prompted to pay for a title, you might not have connected successfully.

- **If you're trying to connect through the hotel's WiFi network** and you're asked to pay for a download, check the coffee cup icon at the bottom right corner of your screen. It should be green. If it isn't, you might need to reconnect to the lounge WiFi. Visit the concierge desk if that doesn't resolve the issue.

Making the most of your time on PressReader

Is PressReader mobile-friendly?

Yes. You can read most publications on PressReader in the original printed layout or in a text-view mode designed for easy reading. To use the text-view mode, just open any title from the publications list in the PressReader app. Then, select the text-view toggle at the bottom of your screen.

Why isn't there a text-view option for the publication I'm reading?

Some magazines on PressReader don't have a text-view option. It's important that your reading experience is the best it can be, and some of those beautiful magazine layouts aren't designed to be pulled apart. In full-page view, you can pinch your fingers to zoom in and drag each page to read comfortably.

How many languages does PressReader support?

The PressReader app interface supports English, Traditional Chinese, Korean, French, Arabic, German, Italian, Japanese, Norwegian, Portuguese, Russian, Spanish, and Turkish. Plus, content is available in more than 60 languages. You can also instantly translate some content to up to 18 languages, while you have an active internet connection.

Can I continue to use PressReader after my free access period ends?

Yes. To extend your experience, you can subscribe for complete access to the platform from almost anywhere in the world. Or, you can visit any of our hotel and library partners around the world to continue your complimentary service. You can find those locations at pressreader.com/hotspot/map.

Who can I contact if I have more questions?

If you have more questions about your access to PressReader, contact the support team at care@pressreader.com.
